District Superintendent's Report

The Berkeley County School District focuses on measured success for all children. Our new mission statement captures our commitment: Building upon our rich Lowcountry traditions, we will ignite, in every student, a passion for life-long learning. Through dynamic instruction, creative partnerships, and exceptional support, we will foster opportunities for each student to build a legacy of success.

Cane Bay Elementary opened in August, and Cane Bay High, in its second year, now serves 9th through 11th graders. Grades 9-12 will be served at the beginning of the 2010-2011 school year. A magnet School of the Arts opened at Goose Creek High, completing the magnet arts programs offered at Howe Hall AIMS and Marrington Middle. Another successful choice program, the STAR Academy, enables students who have fallen behind to complete both 8th and 9th grades in a single year. Last year this school-within-a-school at Berkeley High raised students' reading scores by two grade levels and math scores by three grade levels. Fifty-three of the 64 STAR completers (83%) succeeded in earning four or more high school credits.

Our Child Development Education Program (CDEPP) serves over 840 students in full-day four year old programs. Such early intervention has resulted in measured improvement in testing performance in primary grades. Reading performance, as measured by MAP (Measures of Academic Progress), has shown a steady improvement in all grades. Median spring scores for every grade level on the mathematics portion of the MAP test were all above the national average. Also, the number of students who passed both sections of the HSAP (High School Assessment Program) improved significantly in all high schools, with Berkeley County's passing percentage exceeding the State's.

Berkeley County remains a leader in innovative classroom technology. The district has SMART boards in most classrooms and provides training to K-12 teachers in the use of smart lessons related software. All new and renovated schools have Cynergi technology that links safety and communication needs to the learning environment. The district also has an instant messaging system allowing all schools and the district office to personally communicate with parents and employees regarding emergency situations, school events, and other important issues.

The district's quest for achievement is on-going. Last year 123 8th graders earned Jr. Scholar status and 41 7th graders—a record number—earned Duke TIP Scholar status. Both groups attended an expanded 3rd Annual Junior Scholar Acceleration Institute. The 2009 graduating class earned a record amount of scholarships monies – \$24,541,000. Teachers impacted the excellence quest with 26 teachers earning prestigious National Board Certification, bringing the district total to 259. Student academic teams garnered national and international awards. Stratford High's team placed 2nd among US teams in the Oracle Global Data Modeling Competition and earned honorable mention internationally while Berkeley High's AFJROTC Academic Challenge team won the top national award.

District Adequate Yearly Progress

No

This district met 35 out of 37 objectives. The objectives included student performance, graduation rate or student attendance, and participation in the state testing program.

Definition: As required by the United States Department of Education, Adequate Yearly Progress specifies that the statewide target is met for "All Students" and for the following subgroups: Racial/Ethnic, Subsidized Meals, Disability, and Limited English Proficiency in the areas of English/Language Arts and Mathematics, as well as meeting the statewide target for "All Students" for attendance or graduation rate.

District Improvement Status

Corrective Action

The district missed AYP for four years. Sanction: The district implements corrective action(s).
